

MCA APPROVED SHIP'S COOK COMPETENCY

TRAINING YOU FOR A CAREER
on the Ocean Waves

The only Maritime & Coastguard Agency approved
state-of-the-art training centre in the North of Scotland

MCA APPROVED TRAINING

ABOUT US

*Entier is the only
MCA Approved Centre
in the North East.*

As a quality provider of catering & hospitality services to the oil and gas, marine and education sectors, Entier now provides Ship's Cook Competency Training Courses approved by the Marine Coastguard Agency (MCA).

Established in 2008, Entier now operates worldwide, delivering a quality, bespoke service to all of our clients. Our state of the art Training Academy at our facilities in Westhill provides the venue for all of our staff development & training and recruitment & selection as well as our MLC training course.

THE COURSE

*Designed for ship's
cooks, catering staff
and other food personnel
working on a vessel the
competency will:*

- Offer candidates an approved certificate and qualification to work on sea bound vessels
- provide a course that includes a practical assessment and theory exam

THE BENEFITS

- Easily accessible just outside Aberdeen
- Training provided at Entier's state-of-the-art accredited training academy
- Training delivered by our award winning Executive Chef, Ali MacSween.
